BALTIMORE Oct. 17 .- Capt. Trenery, of the steamship Baltimore, which arrived here today, reports that on the 3d inst., at 11 o'clock at night, while in latitude 50°50' and longitude 17-10', west, he passed a ship on fire. He steamed all round her and burned night signals and a unded his whistle many times, but could discover no sign of any persons or boats in the vicinity. The ship was a mass of fire to the water's edge. The wind was blowing heavy at the time, and he could not get close enough to secure means of identification.
